

# New Jersey

Some of the vintage radios and other items available at a recent swap meet

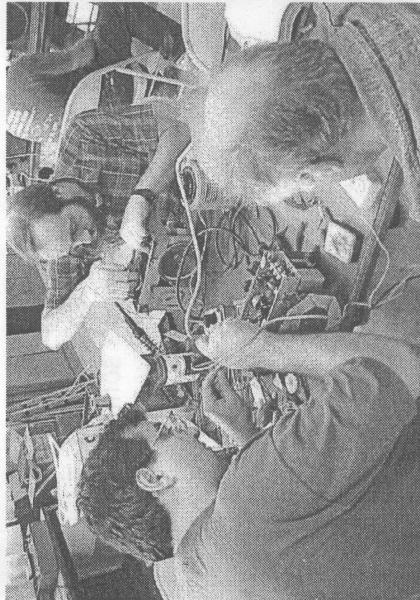

A display set up by NJARC members at a local library

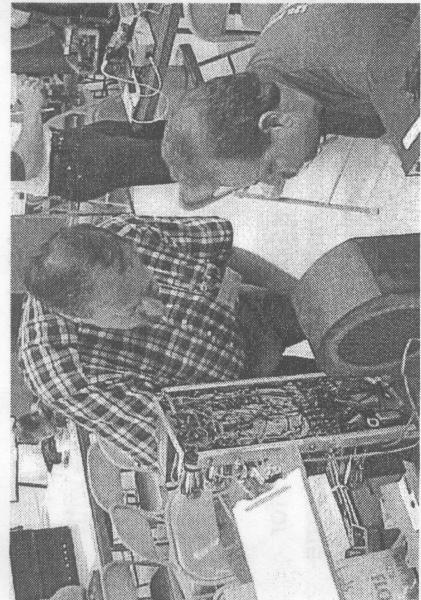

Directions:

Grace Lutheran Church in historic Freehold, NJ is located just East of Route 9 at the intersection of Main St (Route 537) and Park Ave (Old Route 33)

Members restoring sets at a NJARC Repair Clinic

## Antique Radio Club

**The New Jersey Antique Radio Club**  
meets every 2<sup>nd</sup> Friday night of the month at the  
Grace Lutheran Church on West Main Street in  
Freehold New Jersey at 7:30pm. A mini swap-  
meet is held before and after the meeting.  
Everyone is welcome to attend our meetings.

### Club Features

- **Swap Meets**

Held two times a year with a rich variety of  
radio and related items available.

- **Monthly Club Meetings**

Each Meeting includes a technical talk on radio  
or related topics.

- **Monthly Newsletter**

All members receive "*The Broadcaster*"  
newsletter which contains the latest club  
information, plus interesting club related  
articles.

- **Vacuum Tube Program**

Tested and boxed vacuum tubes are available to  
members at bargain prices.

- **Capacitor Program**

Wide range of new capacitors are available to  
members at bargain prices.

- **Schematic Program**
